

## On The Other Islands

**Volcano May Erupt**—Visitors to the Alaka flow, on Hawaii, reported strange lights in the vicinity, which they believe, pretend a fresh outbreak from Mauna Loa, according to the Hilo Tribune. The Halemaumau lake at Kilauea is also reported as rising rapidly and fountaining, and the flow below the volcano is said to be increasing.

R. H. Finch, assistant to Professor Jaggan, volcanologist, says that while it is not likely that another flow is imminent on Mauna Loa, yet anything may be looked for with the volcano in its present state of activity.

**Say Hilo Scouts Not American**—Because one of the leaders of the Boy Scouts in Hilo is an alien who has shown no disposition to become an American citizen, officials of the Hilo Post of the American Legion recently declined an invitation to accept official positions with the scout organization. "The Boy Scouts of America is supposed to be a 100 per cent American," said Karl B. Morgan, commander of the local Legion post, "and so is the American Legion. It doesn't seem fitting that such an organization should be led by an alien."

**Hilo To Get Army Food**—As a result of activities on the part of J. F. Daly, postmaster at Hilo, the island of Hawaii will have a chance to purchase army food supplies. Recently he informed the Hilo supervisors that the war department had agreed to send a consignment to Hilo on a 30-day credit and subject to a 10 percent discount on the wholesale price. In addition to the foodstuffs the department offers to send clothing, underwear and shoes. The Hilo supervisors have agreed to advance the money for taking the food to the Big Island. In order that the residents outside the Hilo district may take advantage of the opportunity, Daly will install a special parcel post rate on the purchases.

**Athertons Give Home To Y. W. C. A.**—A gift of two-thirds of the Atherton premises on King street and Alapai, together with \$50,000 in cash has been made to the Y. W. C. A. by Mrs. Julia Atherton and her three children, Frank C. Atherton, Charles H. Atherton and Mrs. Theodore Richards. This gift is in memory of Miss Kate Atherton, who died last year, and will be used for a new home for business girls and nurses. The building that is now on the land will be removed by the Atherton estate and everything put in shape for the "Y" to proceed immediately with its building plans.

**Several Thousand Dollars worth of jewelry** is alleged to have been stolen from passengers on board the army transport Great Northern on the voyage from San Francisco this week. Efforts of the ship's officers and of Honolulu detectives failed to find the property or the thieves.

**Two Hilo Japanese Automobile drivers** and six passengers narrowly escaped death last Saturday night at Kilauea, near Pailon Station, just opposite the Mormon Church, through the alleged carelessness of one of the drivers, or both through racing on the Government road. As a result one car lies at the bottom of a 200-foot gulch and Kikuchi, said to be responsible for the accident, is in Papakou Hospital with a broken arm. The other car with its 6 passengers was caught by a fence wire and saved.

**Church Workers have been threatened** by the Japanese strikers at Kilauea, according to D. H. McJannet, head of the Methodist Episcopal Church in the Territory. He made formal complaint stating that Japanese prominently identified with the strike situation on Oahu had warned him that "something terrible" was likely to happen, if he did not cease his efforts to persuade strikers to return to work.

**Hawaii Left Out Of Another Measure**—The Territory of Hawaii is left out of another Congressional bill, copies of which have just been received here. This is a bill No. 3315 "to promote Americanization by providing for the several states for the education of non-English speaking persons and the assimilation of other foreign born residents, and for other purposes," and contains no references to territories or districts, only states being included. It carries appropriations of six and a half million dollars.

**Clear Federal Site**—Brush, weeds and debris are being removed from the federal building site preparatory to commencing active work on the excavation for the foundation. The contract is held by the Hawaiian Contracting Company. There will be no dedicatory exercises until the cornerstone is laid.

**Little Chance For Teachers On Transport**—There is not much chance that any appreciable number of school teachers will be able to get away to the Coast during July and August on army transports, according to Vaughan MacCaughy, territorial superintendent of public instruction. Transport travel is so congested because of the movements of officers between the Orient and San Francisco that there will be little opportunity for teachers to board the east-bound vessels here.

**Jewells Restored**—Andrews Pittman & O'Brien have filed discontinuance in the divorce proceedings of Evelyn Pearl Jewell vs. Harold Guy Jewell. Advertiser.

**Commission To Sail March 25**—Information has been received in Honolulu that the members of the Hawaiian legislative commission now in Washington, expect to leave San Francisco for home on March 25.

**Going To Samoa**—Mr. and Mrs. Arthur Green of Honolulu are leaving Honolulu this week in the ketch Ajax for Apia, Samoa, where they will interest themselves in the copra industry. Mr. Green has been city editor of the Star-Bulletin for over 2 years past. Several months ago he married Miss Gretchen Falke, daughter of A. Falke, formerly connected with Hackett & Co. Her mother was born in Samoa and it is in connection with family estates in former German Samoa that Green and his wife are going.

H. A. R. Austin, well known on Maui as engineer of the hydrographic bureau of the U. S. geologic survey, has been appointed deputy city and county engineer of Honolulu at a salary of \$275 a month.

**For Industrial School Board**—Andrew Adams, manager of Kahuku plantation, has been commissioned by Acting Governor Curtis P. Iaukea as a member of the board of industrial schools. Manager Adams succeeds Rev. Father Valentin, resigned.

**G. O. P. Favors Legion Planks**—Several planks from the platform of The American Legion will be appropriated by the Republican party in Hawaii according to statements made by men prominent in the party councils. The particular matters likely to be prominent in the local G. O. P. platform are the abolition of foreign language schools, the curbing of the foreign language press and a strict enforcement to citizen labor on army and navy work.

**Japanese Breaks Neck**—By a fall from a mule he was riding uphill, a resident of Olua, sustained a broken neck last Friday, dying before he could be rushed to the Hilo hospital.

**Much Flu In Big Island**—According to the Hilo Post-Herald influenza is now prevalent in every district of Hawaii. There are more than 500 cases in Kona, 29 in Kohala, a dozen or so in the Hamakua district, nine in Kau and 15 in Hilo. The Kona district has suffered severely from the disease and the death rate has been extremely high. The "peak" is thought to have been reached in Kona, but the worst is yet to come in the other districts, claim the persons who are studying the situation.

**But Two Weeks Of Training**—The reserve officers' training camp at Schofield Barracks will last but two weeks. It has been decided—from June 5 to 20. The course, however, will be an intensive one, and officers this year will be ordered to attend on their own initiative only.

**Prince May See Centennial**—Owing to the delay in leaving England on account of the influenza epidemic, it is now probable that the Prince of Wales, enroute to Australia, will be in Honolulu on April 13, instead of the 6th as at first announced. He will consequently be there coincident with the opening of the missionary centennial.

**Pineapples Take Jump**—Following the decision of the U. S. supreme court that stock dividends of corporations are not subject to the income tax, Hawaiian Pineapple Co., shares advanced 8 1/2 points on Tuesday and are now held at 88 1/2. A meeting of the directors of the company has been called for Monday at which time it is expected that a 25 percent stock dividend will be declared.

**Hilo Teachers Hiking**—The recreation committee of the Hilo teachers' union has decided that the teachers shall take at least 10 organized hikes each year. Arrangements are being made for securing the use of beach and mountain houses by the teachers.

**Brother Andrew J. Panzer**, one of the instructors in St. Louis College, Honolulu, died on last Tuesday afternoon after being ill 2 weeks with influenza. He was known and popular with the students who have attended the school since 1914, when he came to the Islands. He was a native of Baltimore.

**Bonus Participants**—Replying to a circular of the Japanese labor federation to effect that but 40 percent of plantation laborers actually participate in the bonus of the plantations, the Sugar Planters' Association has issued a statement showing that counting all nationalities employed on the Oahu plantations \$7.4 percent received the bonus for every month last year; and that the Japanese workers 92.3 percent participated in the bonus each month.

**Flu Worse On Kauai**—The influenza situation was worse rather than better on Kauai last week. Exclusive of the plantation camps there had been 350 cases at Waiimea alone, most of them severe and with many deaths. Lihue has had several hundred cases, all bad. The Kapaia school was closed. Dr. Kuhns, government physician, has been very ill himself and his death was at one time reported.

## SPORTS

### 14 Teams Entered For Track Events

**First Maui Field Day Promises To Be Big Success—Other Entries Possible Before Tomorrow Night—Much Interest Manifested**

Entries for the first annual field day meet, to be held on Saturday afternoon, March 27, at the county fair grounds, will close tomorrow evening. Any teams not yet entered should do so at once by notifying Paul MacCaughy, at the High School, or C. A. Puck, of the Alexander House Settlement.

At the present time the management is sure of 8 junior teams and 6 senior teams. The senior aggregations entered are as follows:

Maui High School, Lahainaluna School, Waia, Asahi Athletic Club, Puunene-Pala combination, and the Lahaina Athletic Association. There is a possibility that the Wailuku Stars and the Chinese will enter also.

**Juniors Entered**  
The junior teams entered are—St. Anthony School, Wailuku Public School, Pala School, Keahua School, Makawao School, Kihui School, Lahaina School (Kamehameha III), and the Puunene School.

Under the rules of the Athletic department of the Maui County Fair & Racing Association, all entries must be made by teams and the individuals in the teams must be by events.

The admission to the events will be 25 cents general admission for adults, with 15 cents additional to the bleacher section of the grandstand, and 25 cents for the box section. There will be no reserved seats. Children's tickets will cost 10 cents with 5 cents extra for bleacher seats and 10 cents for box seats.

The committee is asking each community to attend to its own arrangements for transportation, but in case any community has trouble it should communicate with Mr. MacCaughy or Mr. Puck and an effort will be made to help.

The Athletic committee of the Maui county fair and racing association will meet next Monday night for the purpose of discussing plans for the baseball series.

### Gyms And Puunenes Now Neck And Neck

Puunene and Wailuku are now tied in the bowling tournament as far as games are concerned, but the Gyms are ahead in the grand total score by 255 pins. This result came about by last night's games. After Monday night's play the local team had a lead on the score of 89 pins.

In last night's mix-up Chatterton, of the Puunenes took the lead for individual scores, having a record of 534, while Cummings, of the Gyms scored 512. The grand total score is now—Wailuku, 2378; Puunene, 2289.

		Gym		Bowling Club		Total	Grand Total	Ave

Hana ..... March 22  
Kahuna ..... March 24  
A. C. ROTHROCK, Gov. Phy.

LOST—White dog, Spitz. Reward. Telephone information to Wm. Henning, 22-R, Paia.

### Wacs Are Victors In Championship Battle

**Defeat Lahainas In Last Innings Of Hard Fought Game—No More Baseball Till Summer Series Begins**

The Wacs are the champions of the Winter League series.

This was determined by the game on the Wailuku diamond played last Sunday afternoon when the local team won from the Lahainas by a score of 5 to 4 in a most exciting game. True to form, the Wacs did most of their scoring after half of the game had been played. At the beginning of the 6th inning the score stood 4 to 2 in favor of Lahaina. Then the Wacs took a brace and piled up three more runs, the winning score being made in the 9th frame.

Had the Lahainas won the game it would have tied the series between the Wacs, Lahainas and the Pala-Puunene combination.

As it is the Wacs win the Reach cup offered for the championship by the Theo. H. Davies Co.

**Will Rest Awhile**

There will probably be no more baseball on Maui for a month or two, but in the meantime the baseball managers will be framing up for the regular summer series. There will probably be considerable changing about of the teams as some of the best players are leaving the Island.

**GYM GIRLS DEFEAT SEMINARIES**

By the close score of 21 to 20 the Alexander House Settlement Gym girls defeated the Maunaloa Seminary girls at basket ball on the seminary grounds last Friday afternoon. The game was a highly exciting one and one of the closest that has yet been played in the girls' series now being played.

The men's singles handicap tennis tournament, which has been talked for some months, seems about to get under way. A meeting of the handicap committee was held on Monday and the secretary instructed to send out a call for entries for the big event. It is believed that the tournament will start out with an entry list of about 75. The play will be on the Alexander House Settlement courts.

In Monday's play Chatterton, for the Puunenes, rolled a perfect score in the first game with 297 pins down; though Eugene Bal, of the Gyms beat this with 215 in the second game, but with an imperfect game.

The score sheet is as follows:

		Gym		Bowling Club		Total	Grand Total	Ave
Kamehameha, Jr.	7	8	9					
Bal, Eugene	161	171	163	515	1465		162	
Wilmington, J.	169	213	186	567	1570		174	
Wells Cummings	160	153	156	469	1415		157	
Kamehameha, Sr.	144	147		291	1706		157	
Weight, Geo. N.	179	193	158	530	1534		170	
	833	876	777	2486	7252			
		Puunene				Total	Grand Total	Ave
McKenzie, J.	7	8	9					
Wadsworth, D.	168	170	163	501	1502		166	
Voss, A. F.	153	177	178	510	1393		154	
Chatterton	152	189	146	487	1318		146	
Mangles, Wm.	207	182	170	559	1415		157	
Rietow, Ray	143	145	158	446	932		155	
	825	863	815	2503	7086			

#### NOTICE OF MEETING

The monthly meeting of the Industrial Accident Board for the County of Maui, will be held in the Wailuku District Court Room, Wailuku, next Tuesday morning March 16th at 10:30 o'clock. All persons having business with the Board are asked to be present.

W. A. McKAY, Chairman.

The Grand Hotel has secured the services of a first class barber from Honolulu and has reopened its modern and sanitary barber shop. The best of service at Honolulu prices.—Adv.
